

SAFETY DATA SHEET

1. Identification of the Substance / Preparation and of the Company Undertaking

Product Name: SpECcell Polyethylene

Product Use: Joint Filler

Company: Speciality Engineering Chemicals

Address: P. O. Box 61347, Dubai, U.A.E.

Telephone: +9714-8836662

Facsimile: +9714-8837696

E-mail: info@spec.ae

Web site: www.spec.ae

2. Composition / Information on Ingredients

Composition: Polyethylene joint filler in sheet form

3. Hazards Identification

Non-Hazardous

4. First Aid Measures

General: Not applicable

Eyes: If particulate matter from cutting the material encountered in the eyes, wash affected area with eye wash. If irritation persists seek medical attention.

Skin: In the event of skin irritation seek medical attention.

Inhalation: Not applicable

Ingestion: If ingested rinse mouth with water and seek medical attention.

5. Fire Fighting Measures

Suitable Extinguishing Media: Water spray, water fog, dry powder, carbon dioxide or sand.

Special Exposure Hazards: None

Special Protective Equipment: Self-contained breathing apparatus and full protective clothing to prevent exposure to vapors, fumes and products of combustion.

6. Accidental Release Measures

Safety Precautions: Prevent sheet/pieces from being dispersed by wind and remove waste product to suitable receptacles pending disposal.

Environmental Precautions: None.

Decontamination Procedures: None.

7. Handling and Storage

Handling: Store undercover away from sources of ignition and direct sunlight.

Storage: Store in dry and cool area.

Decontamination: Not applicable.

8. Exposure Controls / Personal Protection

Occupational Exposure Limits : None assigned

Engineering Control Measures: None

Personal Protective Equipment: Impervious gloves (eg PVC). Goggles. Approved dust mask.

9. Physical and Chemical Properties

Physical State: Sheet

Colour: White, grey or black

Odour: Odourless

Flash Point °C: -

Density: 40kg, 60kg and 100kg

Flammability: Combustible solid

Solubility: Insoluble

10. Stability and Reactivity

Stability: Stable under normal conditions of handling and storage.

Conditions to avoid: None.

Materials to avoid: Not known and generally inert.

Hazardous decomposition products: None.

11. Toxicological Information

The material is essentially non-toxic.

12. Ecological Information

Not applicable

13. Disposal Considerations

Disposal must be in accordance with local and national legislation.

14. Transport Information

UN Number: Not classified as hazardous for transport

IMO Class: Not classified as hazardous for transport

IATA/ICAO Class: Not classified as hazardous for transport

ADR Class: Not classified as hazardous for transport

Subsidiary risk: -

Packaging group: -

Label: -

Additional information

ADR-HIN: -

IMDG-EMS: - Marine Pollutant: No

IMO:

15. Regulatory Information

Not classified as hazardous for supply.
No statutory labels required.

16. Other Information

Issue: 1

Date of issue: 30-Nov-2009

Prepared by: SpEC Technical Department

No liability accepted for any injury, loss, damage or cost arising directly or indirectly from the use of any information contained within this MSDS since the customers treatment of the product is necessarily out of our control.

The data given above is based upon current knowledge and experience. This safety sheet is intended to describe our products in terms of their safety requirements. It does not guarantee the properties of the products described.
